Mr. Brinkley and his Black History class plan carefully for the observance of Black History week. Their theme was "Fulfilling America's Promise". Mrs. Willie Dell, City Council member, traced the history of the Black man in America's society.

In costume, Miss Susan Harris, Miss Wanda Harris, Miss Rose Montgomery and Mr. James Bennett provided music which was appropriate for the occasion by singing "Everything Must Change."

LAMONE PRYOR

## THE ROSE BEYOND THE WALL

Near shady wall a rose once grew,  
Budded and Blossomed in God's free light,  
Watered and fed by morning dew,  
Shedding its sweetness day and night.

Shall claim of death cause us to grieve  
And make our courage faint and fall?  
Nay! Let us faith and hope receive  
The rose still grows beyond the wall.

### Class Creed

In order to enhance the memory of our high school years we, the members of the graduating class of 1975, do set forth these truths to be our creed.

We believe it is our responsibility to strive to realize the potential in each of us. To do this we must seek to reach the highest goals in all our endeavors.

We believe in our parents, guardians and friends whose sacrifices and words of advice have helped us to overcome problems which have confronted us during this period of growth and development.

We believe in our teachers, our school administrators and their standards of achievement which they have set before us. Through these standards we will strive to become better citizens of tomorrow.

We believe in the teachings of Jesus Christ through which we will strive to find peace within ourselves and tolerance towards our fellow man.

Junanita Stroman

### Armstrong, Adieu

Our wonderful years, Armstrong, have been spent here with you.  
Strong we were to keep on going to see our school years through.  
But the time has come for us to go on our way.  
To broaden our lives after graduation day.

We've worked hard each day to meet our goals.  
Armstrong, you've helped in many ways untold.  
All our joys of school life will remain in our hearts.  
Because it is now time for us to depart.

Leaving you will indeed make us sad.  
But we shall remember the lovely times we've had.  
With our classmates in these halls, together we've dwelt;  
In each of our hearts love for you, Armstrong, will always be felt.

We say good-bye, and this we must do  
As we leave our old orange and blue.  
With the pledge that we shall ever be true--  
Oh, Armstrong, we must bid you adieu.

Juanita Stroman

# Class Song

Now It's Time to Say Goodbye  
(Tune: "We've Only Just Begun")

We've only just begun to seek  
The future that's ahead of us  
Books aside--now we're on our way  
And when we have found success,  
The ever lingering memory  
Of you shall always be within,  
For we've only just begun.

Undertaking paths that are new to us,  
Hoping we'll make it to the top,  
Finding what life has to offer us,  
Striving to make our dreams realities forever.

Now that it's time to say good-bye,  
Why is it that we always cry  
Tears of sadness and tears of joy?  
We've only just begun.

By Angelia Rose

# Our F&M bankers went to school, too.

So besides our regular checking, savings, loans and such, we're well attuned to special student needs.

Like parent/student joint checking or savings, education loans and the like.

At F&M we have a special interest in students. Because a lot of them turn out to be our best customers.

And some turn out to be our best bankers, too. First & Merchants National Bank.

## IN MEMORIAM

On the morning of July 10, 1974 Mr. Benjamin W. Robertson, Jr. was called home to God. He was the only son of our Pastor, Dr. and Mrs. Benjamin W. Robertson, Sr.

Mr. Robertson was born January 23, 1956, in Richmond, Virginia. He joined the Cedar St. Memorial Baptist Church of God at the age of seven and was baptized by his father. He has served in the Boy Scouts, with Altar Boys and Junior Usher Board, also was a member of The Bessis C. Jones Bible Class of which Dr. Robertson is the teacher. At the time of his death, Benjamin Jr. was a student at Virginia College in Lynchburg, Va. This summer he was an employee of Robertson Kiddie Kollege which was founded by his father.

Our faith has been strengthened because we discovered for real that when we walk with God in the sunlight, He will walk with us in the shadows.

### WHAT'S JROTC ALL ABOUT

JROTC uses the psychology of leadership, drill, and exercise of command to prepare each student for a well organized life with others. Each student should have an appreciation of discipline and a development of awareness. JROTC Cadets should set an example for all students and faculty. The JROTC Cadets have many sponsored events. All JROTC Cadets are genuinely satisfied with the recognition and respect they earn from their peer group. Knowledge of basic military skills will benefit the Cadet if he or she serves in the Armed Forces after graduation. This basic course may also provide advanced pay in any branch of the service. However the Cadet is NOT required to be a part of any military future unless it is of his or her choice.

While in JROTC you will have the privilege of visiting and taking part in military training on a military post. Also you can visit places where as a civilian you could not go and observe. A big bonus to JROTC is the chance for a complete four year scholarship in a ROTC Program on the college level.

SO IF YOU ARE INTERESTED CONTACT YOUR COUNSELOR, JROTC INSTRUCTOR, OR THE JROTC RECRUITING OFFICER AT YOUR HIGH SCHOOL.
